

Columns are available in different designs and sizes as shown in this catalog. It comes in two halves, with a center cut-out to fit your support post (4" x 4", 6" x 6", 4" diameter, 6" diameter, etc.). You must specify.

The two halves attach to the center support, into each other with liquid nails, Elmer's® or Henry's® panel adhesives. After that, it's ready for plaster.

The center (SHAFT) can be round or square, straight or tapered, smooth or fluted. The columns consist of three parts: CAPITALS (top part), SHAFT (center part) and BASE (bottom part). All parts are custom made to fit your requirements.

CUSTOMIZED FOAM DESIGN SHAPE TO FIT STRUCTURAL SUPPORT

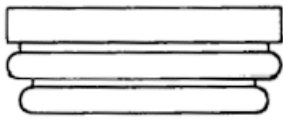

NOTE:
